FOUNDER'S MESSAGE

I have always believed that real change begins when we choose to care for others. Every initiative under Radhe ShamKa Foundation was born from witnessing the challenges faced by our communities and embracing our responsibility to give back. Guided by compassion and a commitment to service, we strive to create meaningful and lasting impact in the lives of those who need it most.

Roti Bank began with one simple belief—no one should sleep hungry. A warm meal is not a privilege; it is a basic human need.

Ration Bank was created to ensure that every home has food to cook. No family should ever worry about an empty kitchen or wonder how they will feed their loved ones.

Vidhya Bank was started with the belief that education is the greatest gift we can give a child. Every child deserves the opportunity to learn, dream, and build a brighter future, regardless of their financial circumstances.

Medical Camp was introduced as many families delaying or giving up treatment simply because they could not afford it. No one should lose hope—or lose a loved one—for lack of financial support during a medical emergency.

Gaushala support became part of our mission after seeing cows eating plastic on the streets. Watching innocent animals suffer from diseases caused by plastic was heartbreaking. They cannot ask for help, so it is our responsibility to protect and care for them.

These are not separate missions—they are different expressions of one purpose: to serve humanity with compassion. Radhe ShamKa Foundation is more than an organization; it is a promise that wherever there is suffering, we will strive to bring hope, and wherever there is need, we will do our best to make a difference.

I invite every individual, volunteer, donor, and well-wisher to become a part of this journey. Together, we can build a future where no one goes hungry, no child is deprived of education, no patient is left without care, no animal suffers in silence, and every person lives with dignity.

Together, we don't just change lives—we create a better society for generations to come.

With Gratitude,

Founder

Manish Arora

About Radhe Shamka Foundation (RSKF)

Radhe ShamKa Foundation (RSKF) is named in loving memory of Lt. Shri Sham Sunder ji and “Ka” represents Kavita Arora, the mother whose compassion and values continue to inspire our journey toward humanity and service. The name reflects the commitment to carry forward their legacy of kindness and social responsibility. Her family and the extended family who continue to nurture this vision with dedication and joy.

The Foundation is committed to reaching communities and households that remain under served and often overlooked, working to bring happiness, comfort, and dignity into their lives through meaningful support and social initiatives. Its mission is rooted in the belief that true acknowledgment lies not in recognition, but in the smiles and relief brought to the people it serves.

Manish Arora and Babita Wahi stand as the core pillars of the Foundation, guiding its journey with integrity, empathy, and determination. Radhe ShamKa Foundation also looks forward to joining hands with like-minded associations and organizations who share the same purpose of uplifting lives and extending care to the maximum number of people.

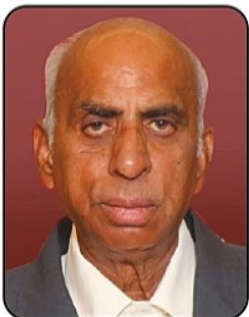

Together, the Foundation strives to create a compassionate network of service, where every effort becomes a step toward a more humane and inclusive society.

Our Vision

To create a compassionate and self-reliant society where every individual has access to food, healthcare, education, dignity, and opportunities to live a better life.

Our Mission

Radhe ShamKa Foundation is dedicated to transforming lives through impactful social initiatives that address the fundamental needs of society.

ABOUT RATION BANK

Radhe ShamKa Foundation provides ration to needy and underprivileged people through its Ration Bank service.

The Ration Bank was initiated with the objective of supporting families who struggle to meet their basic food requirements.

Under this initiative, the foundation distributes essential food items such as Atta, rice (chawal), daal, pulses and other daily-use ration materials.

Every month, the foundation distributes essential food items to families in need, ensuring regular support and food security.

OUR MISSION

The Ration Bank focuses on ensuring food security, reducing hunger, and improving the quality of life of poor families.

The foundation believes that no one should sleep hungry and works continuously to reach the most vulnerable sections of society.

Through monthly ration distribution drives, Radhe ShamKa Foundation aims to promote dignity, care, and social responsibility.

We encourage community participation in helping those in need and building a society where everyone has access to basic necessities.

“ Together, let’s make sure no one sleeps hungry.”

ABOUT VIDHYA BANK

Radhe ShamKa Foundation supports education for underprivileged students from Grade 1 up to undergraduate level.

Education is the foundation of a better tomorrow.
Together, we build brighter futures.

OUR SUPPORT

In addition, the foundation also assists university and college students by paying their semester fees, ensuring that financial limitations do not become a barrier to higher education.

For transparency, Radhe ShamKa Foundation shares complete fee details with donors or clients upon request.

Individuals who wish to support this cause are welcome to donate any amount, directly contributing to a child's education and future.

“Your support today becomes a child’s success story tomorrow.”
